OSA-2272-64

12 MAY 1964

MEMORANDUM FOR: Deputy Assistant Director, OSA
THROUGH : Chief, Programs Staff
SUBJECT : Security Inspections

1. This memorandum contains a recommendation for your concurrence in Paragraph 4.

2. During the current fiscal year, the Office of Special Activities allocated the sum of \$20,000 to the Office of Security for the purpose of conducting Counter Intelligence probes at various installations of interest to this office. Since the inception of this program, probes have been conducted in the [REDACTED]

[REDACTED] areas on one or more occasion. In addition, some long range union and labor penetrations have been developed in the [REDACTED] area.

3. On 8 and 11 May 1964 the undersigned met with appropriate representatives of the Office Of Security and discussed these probes at length. Accordingly I have every reason to believe that this activity during Fiscal 1965 will be vastly improved over that of the past and will materially aid our efforts in the CI field. All of these probes and inspections will be directed and controlled by this office.

4. The Office of Security has requested authorization to obligate \$20,000 for this activity for Fiscal 1965. It is therefore recommended that you concur in this request by signing in the appropriate space below and on the attached Form 1716.
